## The Screwtape Letters

"Apparently this Oxford don and Cambridge professor is going to be around for a long time; he calls himself a dinosaur but he seems to speak to people where they are."

—*The Washington Post Book World*

**The Screwtape Letters, “There are two equal and opposite errors into which our race can fall about the devils. One is to disbelieve in their existence. The other is to believe, and to feel an excessive and unhealthy interest in them. They themselves are equally pleased by both errors, and hail a materialist or magician with the same delight.”**

## Violent physically and emotionally

**Mark 5:4-5, “For he had often been chained hand and foot, but he tore the chains apart and broke the irons on his feet. No one was strong enough to subdue him. Night and day among the tombs and in the hills he would cry out and cut himself with stones.” (NIV)**

# Cool and Calculating

**John 8:45-47, “Yet because I tell the truth, you do not believe Me! Can any of you prove Me guilty of sin? If I am telling the truth, why don’t you believe Me? He who belongs to God hears what God says. The reason you do not hear is that you do not belong to God.” (NIV)**
